## Show Rules Overview

**UDC Registration:** Although it is recommended that participating dogs be registered with UDC and have a UDC Record Book, dogs not registered with the United Doberman Club may participate in all events at this show provided they are registered in another National registry. Any awards earned by a non-UDC registered dog will count toward a UDC title once the dog is UDC registered. UDC registration usually takes about 3-4 weeks to process. Dog must be registered by a FCI recognized registry to become UDC registered. An AKC ILP number is acceptable for UDC registration and entry into performance classes (not conformation classes). Note that all entries will receive a written critique.

**Rules:** Conformation show rules as stated in the UDC Breed Manual (<http://www.uniteddobermanclub.com/> \h }

**Temperament Test:** All entrants are required to take the UDC temperament test appropriate for their entered class prior to showing. Handlers are responsible for presenting proper UDC TT or UDC Breed Survey critique to the Conformation stewards prior to their class. Dogs may fail the TT and still participate, but cannot earn a CC.

**Available Classes for Entries:** Note that classes are divided by sex and by age as follows:

Baby (3 to 6 months old)

Puppy (6 to 12 months old)

Youth (12 to 18 months old)

Youth (18 to 24 months old)

Open class (Open to all adults)

Performance class (Adults with a BH, Agility, Obedience, SAR, Guide Dog, Therapy or Tracking qualification).

Working class (Adults with a SchHA, SchH, Brevet, French Ring, or IPO qualification).

Veterans class (Adults 7 years or older who hold a working or sport qualification. Includes spayed/neutered entries).

Altered classes (Non-regular classes for spayed and neutered dogs that then compete for Best Altered).

Champion class (UDC champions ONLY).

Winners Class (Open to highest placed E-rated dogs in Adult classes that have also passed the ATT, STT or Breed Survey).

Note: Dogs over 7 years may enter EITHER Altered or Veterans class, but not both.

## UDC Registration/AWDF Scorebook Application

The purpose of the UDC registration program is to provide serious breeders with information on UDC-registered dogs pertaining to health, character and conformation. Breeders will have a complete source to aid in breeding sounder, healthier dogs. This program will be designed to help promote the TOTAL DOBERMAN and should have a significant impact on the direction our breed will take. UDC is encouraging all members to participate in the program to ensure that our database accumulates enough information to become useful.

To register your dog, send the following

1. Completed UDC registration form (shown below)
2. Copy of AKC/CKC registration certificate -front & back (or comparable foreign registration certificate)
3. Copy of the dog's pedigree (3-generations or more, if available. Breeder's pedigree with international titles preferred)  
\$40.00 (US) registration fee, per dog. Please make checks or money orders payable to United Doberman Club.  
You may also pay by PayPal to [treasurer@uniteddobermanclub.com](mailto:treasurer@uniteddobermanclub.com). Put "dog registration" in the comment box.
4. Copies of proof of titles and/or championships (optional)
5. Copies of medical information documented by a veterinarian (optional)
6. Copy of OFA hip dysplasia certification, obtained after the dog reaches 2 years of age (optional)

Mail to: UDC Registry • c/o Linda Kurz 3640 Yellow Dog Road Lonedell, MO 63060 Home Telephone: (636) 629-4553.  
Alternatively, email scanned documents to [hauskurz@hughes.net](mailto:hauskurz@hughes.net).

Proof of title and championships must be provided to be included in the dog's records. Medical information must be documented by a veterinarian. Hip dysplasia rating must be certified by OFA after the dog reaches the required age of two years.

All registered dogs will be assigned a UDC registration number. As the dog participates in UDC's character tests and conformation events, the respective results will be entered in the dog's file. As the dog participates in UDC events, recording is facilitated by using the UDC registration number on entries.
